

Papi Pacify

FKA twigs

Mmmmm... Pacify
Mmmmm... Pacify it
Mmmmm... Clarify our love

Mmmmm... Pacify
Mmmmm... Pacify
Clarify our love

(Clarify, clarify, clarify)

Clarify, clarify
Pacify our love

Oh show, tell me I'm the only one
Like I didn't know
Oh show, tell me I'm the one that I can call
Even if you choke

Mmmmm... Papi pacify, pacify our love
Mmmmm, mmmmm, mmmmm, mmmmm, won't you clarify?
Clarify it in my eyes

Mmmmm... Papi pacify, pacify our love, our love, love
Mmmmm, mmmmm, mmmmm, mmmmm, won't you clarify?
Clarify it hurtles

Papi pacify
Papi pacify

Oh show, might hurt me ever to think you're wanted
Never tell me no
Oh show, whisper I'm the one to fix it all
Even if you won't

Mmmmm... Papi pacify, pacify our love
Mmmmm, mmmmm, mmmmm, mmmmm, won't you clarify?
Clarify it in my eyes

Mmmmm... Papi pacify, pacify our love, our love, love
Mmmmm, mmmmm, mmmmm, mmmmm, won't you clarify?
Clarify it hurtles

Pacify our love
Clarify it hurtles

Mmmmm... Papi pacify, pacify our love, our love, love
Mmmmm, mmmmm, mmmmm, mmmmm, won't you clarify?
Clarify it hurtles

Papi pacify
Papi pacify
