

Move

Flame

Hello. How ya doin? How ya doin? [Repeat]
Excuse me sir, excuse me m'am, can I talk to you for a second? can I do that
?

Ah excuse me sir excuse me mam
a to the left with it, to the right with it, ah to the left with it, to the
right with it,

When the Lord tell me move I move
Anything he want me do yeah I do
But if it ain't of the Lord then I won't move
It's because the Spirit lives, so I still show your love
When He tell me I move, move, move [Repeat]

Man I hate my disobedience
Always second guessing God
When he tell me share my faith now I got a question now

Then I end up reasoning myself outta sayin something
Now the opportunity's gone, cause I ran from it

Now I'm prayin' for his grace that every time I will speak,
In the schools, in the mall, on the job, on the streets

This is how it's gotta be, I'm talking bout obedience
Fearing God not man that is the ingredients

Yes I know you can relate some of ya'll are shack in up
Time for you to move it out, get ya clothes pack it up

Yes I know you can relate , why are you standin still
When the Lord has called you to hit the foreign mission field?

Yes I know it's hard though, plus I understand it
But Jesus said: "If you love me then you'll keep my commandments."
Yes I know it's scary though, plus I understand it
But Jesus said: "If you love me then you'll keep my commandments."

Hey whatcha lookin at get from in front of that screen
That is so obscene Jesus died for that very thing

Hey time for you to move, you need to go reconcile
You've been havin' beef with your fam' for a while now

Go and confess your sin, Go to the Lord in prayer
Go go go go go go go go go go people everywhere

Should be steppin' in the way that is called obedience
In this case it is good for you to be deviant

Deviate from the world run to Christ likeness
Run I say run to the One who is Righteous,

Get accountability, go and read your Bible too
Get into the word of God and get the word of God in you

Hey here's an idea why don't you go and forgive
Why don't you go and repent, turn from your sin and enlist?

Do what you gotta do, Go'n head and get it on
Get a church membership, stop church hoppin' homes

This ain't legalism fam', this is Christianity
Go'n head obey the word, all else is vanity

You in this relationship, do you plan to marry her?
Love her like Christ loved the Church 'til you bury her

You in that relationship, do you plan to marry him?
Submit to him, like you are the church or just worry him

If you're not then back it, flee the temptation
You can spend your singleness witnessing to the nations

You don't you compromise, stand firm wit' it doe
Keep your eyes on the Christ even if your feeling low
