## Flame

Well I was chillin' in the crib afterward reading my word  
So I cut the T.V. on and I started to surf  
At first I past a channel with a preacher man  
So I said let me go back just to see what he sayin'  
Reach to the left grabbed my Bible from the desk top  
He started off well I'm like yeah that's hot  
Hude was killin' it  
I started feelin' it  
Even though I didn't know what scripture he was dealin' with  
So I said let me stay and see  
Then he said turn to Isaiah 53  
I'm like aww yeah man that text is raw  
The very next thing he said made me drop my jaw  
I was appalled  
They offered him applause  
And 20, 000 people screamin' praise the Lord  
Dawg I'm like naw  
I'm laughin' it off but it was serious he was speakin' on behalf of God

He was reading verse 5 by His stripes we are healed  
Then he said cause of that we should never get ill  
And if you do get sick its from a lack of faith  
This false teaching is really exasperating  
Then he said either that or some secret sin  
So if your sickness comes back you need to seek Him again  
Confess your hidden sin  
And beseech Him again  
And if you doubt your sickness will come creepin' again  
So all that text was sayin' is that we shouldn't get sick man  
Is that in the bible  
That same preacher man said we suppose to be rich man  
Is that in the bible  
He said with my faith I can confess and posses it  
Is that in the bible  
Then he said God's people shouldn't suffer  
Is that in the bible  
NO

So I cut the T.V. off tear drop fallen to the floor/  
I was sad seeing these people fallen for it  
I broke down then I started callin' to the Lord/  
We can't afford to ignore this anymore  
Furthermore if he would have just read verse 4  
He would have understood the context a little more  
For that matter

Should have read the whole chapter  
To see the whole point that Isaiah was after  
The whole chapter was about Jesus Christ  
And specific details about Jesus' life  
And healing in verse 5 was from our sin sickness  
You know when the Holy Ghost quickens  
I know what your feelin'  
I know you offended  
But when you repented the Spirit brought spiritual healing  
But at the glorification  
In the book of Revelation  
Chapter 21: 4 read the no mores
