

Tonight (all Of Me)

Flame

Oh, I just wanna be, I just wanna be
Closer to Your heart, You will find me there
Everything I am, it's because of You
It's because of You, and now, we sing
Tonight, I'm giving You all of me
Tonight, I let go of everything
Tonight, I'm giving You all of me
Tonight, tonight, tonight
I give You all of me

Let's pray
Dear Father in the name, of Your holy Son
I desire like Jesus, prayed for us to be one
I desire to give, I desire to serve
I desire to love, others with more than my words
Bless me to be humble, bless me to be meek
I want to be a joy, when people come around me
Give me a gentle spirit, bless me to be content
Please keep me from my sin, let me quickly repent
Please give me discipline, give me self-control
To know when to stop, and when to say no
Make me a bold witness, please remove fear
Replace it with faith, pour out Your spirit here
Fill me up Lord, let me overflow
Let me overdose, make me holy, keep me close
I want to give it all, until there's none left
But I can't be too given, look at Your Son's death

Oh, I just wanna be, I just wanna be
Closer to Your heart, You will find me there
Everything I am, it's because of You
It's because of You, and now, we sing
Tonight, I'm giving You all of me
Tonight, I let go of everything
Tonight, I'm giving You all of me
Tonight, tonight, tonight
I give You all of me

I can see You talking to high priest, Peter just denied You
For the second time, one more time he will deny You
One of the officers smacked You in the face,
But he didn't understand that You were actually grace
But the people would rather see the release of a thief,
Than to know forgiveness and be with the Prince of Peace
And as they screamed for Pilate to crucify You,
I hear my own voice because every day I deny You
But yet You still bore the cross on Your vertebrae, walking to Golgotha
What a display of grace
I see Your weakened body beaten, can't keep me from crying
Your cross was very heavy, they gave it to Simon
Then You were crucified, they divided Your clothes
Like the Scriptures prophesied, You died and You rose
Two thousand years ago, slaughtered on the tree
You gave all of You, I'm giving all of me

Oh, I just wanna be, I just wanna be
Closer to Your heart, You will find me there

Everything I am, it's because of You
It's because of You, and now, we sing
Tonight, I'm giving You all of me
Tonight, I let go of everything
Tonight, I'm giving You all of me
Tonight, tonight, tonight
I give You all of me

This I pray Lord, to be like Abraham
Ready to give it all, my only son as the lamb
Ready to sacrifice, everything if You ask
Because nothing is mine, not this life that I have
Everything I own, oh Lord is a gift
So who am I, to hold it with a firm grip
I give You my talent, I give You my time
I give You my eyes, I give You my mind

Oh, I just wanna be, I just wanna be
Closer to Your heart, You will find me there
Everything I am, it's because of You
It's because of You, and now, we sing
Tonight, I'm giving You all of me
Tonight, I let go of everything
Tonight, I'm giving You all of me
Tonight, tonight, tonight
I give You all of me
