

Oh I was moved by your screen dream  
Celluloid pictures of living  
Your death could not kill my love for you  
Take two people romantic  
Smoky nightclub situation  
Your cigarette traces a ladder  
Heres looking at you kid  
Celebrate years  
Heres looking at you kid  
Wipe away tears  
Long time since were together  
Now I hope its forever

Ideal love flies away now  
White jacket, black tie, wings too  
You gave her away to the hero  
Words dont express my meaning  
Notes could not spell out the score  
But finding not keepings the lesson  
Heres looking at you kid  
Hard to forget  
Heres looking at you kid  
At least not yet  
Your memory stays  
It lingers ever  
Will fade away never
