Oh I was moved by your screen dream Celluloid pictures of living Your death could not kill my love for you Take two people romantic Smoky nightclub situation Your cigarette traces a ladder Heres looking at you kid Celebrate years Heres looking at you kid Wipe away tears Long time since were together Now I hope its forever

Ideal love flies away now White jacket, black tie, wings too You gave her away to the hero Words dont express my meaning Notes could not spell out the score But finding not keepings the lesson Heres looking at you kid Hard to forget Heres looking at you kid At least not yet Your memory stays It lingers ever Will fade away never
