

## Always There...In Our Hearts

Flaming Lips

Always there, in our hearts,  
Fear of violence and of death  
Always there, in our hearts,  
There is love and there is fame  
Always there, in our hearts,  
There is evil that wants out  
Always there, in our hearts,  
There are sorrows and sadness  
Always there, in our hearts,  
Never moving, standing  
Always there, in our hearts,  
Something good that we can't control  
Can't control, can't control, can't control

Always there, in our hearts,  
Destroying enemies, make it count  
Always there, in our hearts,  
Not forgiving them, who are we?  
Always there, in our hearts,  
Dream of the world, one of us  
Always there, in our hearts,  
Joy and progress, overwhelmed  
Overwhelmed, overwhelmed,  
Overwhelmed, overwhelmed  
Overwhelmed
