

Fight Test

Flaming Lips

I thought I was smart
I thought I was right
I thought it better not to fight
I thought there was a virtue in always being cool

So when it came time to fight
I thought I'll just step aside
and that time would prove you wrong
and you would be the fool...

...I don't know where the sun beams end
and the star lights begin
It's all a mystery

Oh to fight is to defend if it's not
Now than tell me when would be the time that you would stand up
And be a man - for to lose I could accept but to surrender
I just wet and regretted this moment - oh that I - I
Was the fool

I don't know where the sun beams end and the star
Light begins it's all a mystery
And I don't know how a man decides what right for his
Own life - it's all a mystery

I don't know where the sun beams end and the star
Light begins it's all a mystery
And I don't know how a man decides what right for his
Own life - it's all a mystery
