

# Love The World You Find

Flaming Lips

You don't know what you're becoming  
Who knows what you're gonna be  
We don't know where we're going  
We don't know 'cause we can't see

If I could tell your future  
I'd say love the world you find  
In the dark times and the hard questions  
Let some sunshine in your mind

Sun is rising, and I think that's good  
You're just now realizing  
Some things you never thought you would

Sun is rising, and I think that's good  
You're just now realizing  
Some things you never thought you would
