

# Sunship Balloons

Flaming Lips

Now listen  
I don't know the dimensions of outer space  
But if our ability to feel love turns out to be just a cosmic accident  
I'd like to think this means that the universe is on our side

I don't know how far a man can go  
'Til he finds a way  
Oh, that's you and me

Let's do it once, let's do it twice  
Let's do it all night 'til the sunrise  
Comes too soon in our sun ship balloons

I don't care 'cos we're gonna find a way to fly to the sun  
Oh, it's you and me

Let's do it once, let's do it twice  
Let's do it all night 'til the sunrise

Let's do it once, let's do it twice  
Let's do it all night 'til the sunrise  
Comes too soon in our sun ship balloons

Let's do it once, let's do it twice  
Let's do it all night
