

# The Sparrow Looks Up at the Machine

Flaming Lips

What  
What does it mean  
To dream what you dream  
To believe what you've seen?

Why  
Why do we feel  
To try to find real  
Underneath a machine?

What  
What does it mean  
To dream what you dream  
To believe what you've seen?

Why  
Why do we feel  
To try to find real  
Just to meet the machine (3x)  
To meet the machine (2x)
