

## Us and Them

Flaming Lips

Us and them  
And after all we're only ordinary men  
Me and you  
God only knows it's not what we would choose to do

Forward he cried from the rear  
And the front rank died  
And the General sat, and the lines on the map  
Moved from side to side

Black and blue  
And who knows which is which and who is who  
Up and down  
And in the end it's only 'round and 'round and 'round

"Haven't you heard it's a battle of words?"  
The poster bearer cried  
"Listen son," said the man with the gun  
"There's room for you inside."

Down and out  
It can't be helped but there's a lot of it about  
With, without  
And who'll deny it's what the fighting's all about

Get out of the way, it's a busy day  
And I've got things on my mind  
For want of the price of tea and a slice  
The old man died
