With a Little Help from My Friends

Flaming Lips

What would you do if I sang out of tune (Would you stand up and walk out on me?)
Lend me your ears and I'll sing you a song (And I'll try not to sing out of key)

Oh I get by with a little help from my friends Mm I get high with a little help from my friends Mm going to try with a little help from my friends

What do I do when my love is away?
(Does it worry you to be alone?)
How do I feel by the end of the day?
(Are you sad because you're on your own?)

No I get by with a little help from my friends $$\operatorname{Mm}$ I get high with a little help from my friends $$\operatorname{Mm}$ going to try with a little help from my friends

Do you need anybody? (Do you need anybody?) I need somebody to love Could it be anybody? (Could it be anybody?) I want somebody to love

(Would you believe in a love at first sight?)
Yes I'm certain that it happens all the time
(What do you see when you turn out the light?)
I can't tell you, but I know it's mine

Oh I get by with a little help from my friends

Mm I get high with a little help from my friends

Oh I'm going to try with a little help from my friends

Do you need anybody?

(Do you need anybody?)

I just need somebody to love

Could it be anybody?

(Could it be anybody?)

I want somebody to love

Oh I get by with a little help from my friends
Mm going to try with a little help from my friends
Oh I get high with a little help from my friends
Yes I get by with a little help from my friends
With a little help from my friends
