

The Fun Song

Flatbush ZOMBiES

[Hook:]

Fucking hoes, fucking hoes
Bad bitches, bank rolls
Fucking hoes, fucking hoes
Big blunts, heavy smoke
Fucking hoes, fucking hoes
Higher Learning, watch me flow
Don't trust a ho, never love a ho
Don't trust a ho, never love a ho

[Verse: Juice]

Fucking hoes, fucking hoes
Big booty bitches, big bank rolls
Time to roll, smoke a load
Inhale, exhale through your nose
Top shelf, OG. Hash wax, a little codeine
Slow speed, let her blow on these
Make a wish, I'm so gene
Never trust a ho, never love a ho
We just dump a load, show 'em to the door
Leave it smokin' wet, made her blow the set
Shorty love the dick, made the pussy stretch
Degrading, sex slaving. Nirvana
The reminder wear a condom
I'm fucking random, sorta handsome
And you can find us...

[Hook]
