Mearcstapa

Fleet Foxes

Two minds in the air Two eyes on a pair Mearcstapa On an open sea

But you turn away
No fall into day
No wind in the night
No putting slack in the line

The eyes of the sea
Too easy to me
Mearcstapa
Deaf and blind like me

But the phone doesn't sing The phone doesn't ring So what will you find Mearcstapa, mind
