

# Mykonos

Fleet Foxes

The door slammed loud and rose up a cloud of dust, on us  
Footsteps follow down through the hollow sound, torn up

And you will go to Mykonos  
With a vision of a gentle coast  
And a sun to maybe dissipate  
Shadows of the mess you made

How did animals in the snow tipped pines, I find  
Hatching from the seed of your thin mind, all night

And you will go to Mykonos  
With a vision of a gentle coast  
And a sun to maybe dissipate  
Shadows of the mess you made

Brother you don't need to turn me away  
I was waiting down at the ancient gate

You go  
Wherever you go today  
You go today

I remember how they took you down  
As the winter turned the meadow brown

You go  
Wherever you go today  
You go today

When I walking brother don't you forget  
It ain't often that you'll ever find a friend

You go  
Wherever you go today  
You go today (4x)
