

# All Over Again

Fleetwood Mac

Well it's time to say goodnight  
And finally turn out the light  
How do I say in some simple way  
How much you have been on my mind

But I have to let you go  
It's time to move on, don't you know  
But you can rely on a love that won't die  
For haven't I told you so

So let's stop before it's too late  
And leave it all up to the fates  
Cause in spite of the heartaches  
And troubles in love  
I'd do it all over  
Do it all over again

Each of us and everyone  
Carries a burden of love  
But as far as I go in my heart I know  
It's you I'll be thinking of

So what is there left to say  
As I see us drifting away  
You can always depend on a love that won't end  
Won't you think of me, think of me that way

So let's stop before it's too late  
And leave it all up to the fates  
Cause in spite of the heartaches  
And troubles in love  
I'd do it all over again

Well it's it's time to move on to the rain  
And finally break the chain  
In spite of the heartaches  
And troubles in love  
I'd do it all over (do it all over)  
Do it all over again  
Stop before it's too late

Cause in spite of the heartaches  
And troubles in love  
I'd do it all over (do it all over)  
I'd do it all over again
