

Although the Sun Is Shining

Fleetwood Mac

Although the sun is shining
High above
There's one thing on my mind
You my love

I see a weeping willow
In the park
Like this there's sadness growing
In my heart

When we're together
We will never part
And if you leave me
It'll break, it'll break my heart

When we're together
We will never part
And if you leave me
It'll break, it'll break my heart

Although the sun is shining
High above
There's one thing on my mind
You my love
