

# Bad Loser

Fleetwood Mac

Well you thought you had a hold on me  
But it's different now  
Everything you done before  
Fell upon you now

Are you just a bad loser?  
But you never let go  
(And you're gonna go down)  
Yes, you'll go down but you'll never let it show

All the strings and the strokes in the ocean  
Won't buy you piece of mind  
All because you did what you did  
You're not the peaceful kind

You're just a bad loser  
And you'll never let go  
(And you're gonna go down)  
Yes, you'll go down but you'll never, never let it show

I think you really know what I mean  
But I'll tell you one more time  
Oh, 'cause it's the truth and you know it  
That you're no friend of mine

You're just a bad loser  
And you'll never let go  
(And you're gonna go down)  
Yes, you'll go down but you'll never let it show
