

Can't Afford To Do It

Fleetwood Mac

Well, I want to go out without tearing my bed, now
I's so scared my baby quit and
I can't afford to do it
I can't afford to do it
I can't afford to do it
And lose that girl of mine

Well, she spend my money - buying me clothes
She's done cheapest woman I ever did know and
So, I can't afford to do it
I can't afford to do it
I can't afford to do it
And lose that girl of mine
Yeah

I got a good friend from Alabama
He tried to steal my chick, I don't know how many times
I can't afford to do it
I can't afford to do it, ah
I can't afford to do it
And lose that girl of mine, ah

I can't afford to do it
I can't afford to do it
I can't afford to do it
I can't afford to do it
I can't afford to do it
And lose that girl of mine, um
