

# Can't Go Back

Fleetwood Mac

Standin' in the shadows  
The man I used to be  
I wanna go back  
(can't go back, can't go back)  
Melodies awaken  
Sorrows from their sleep  
I wanna go back  
(can't go back, can't go back)

She was just a dream maker,  
Dreamer of sighs  
Shadow on the one who used to cry  
A face as soft as a tear in a clown's eye  
I wanna go back  
(can't go back, can't go back)

She was just a dream maker,  
Dreamer of sighs  
Shadow on the one who used to cry  
A face as soft as a tear in a clown's eye  
I wanna go back  
(can't go back, can't go back)
