Can't Go Back

Fleetwood Mac

Standin' in the shadows The man I used to be I wanna go back (can't go back, can't go back) Melodies awaken Sorrows from their sleep I wanna go back (can't go back, can't go back)

She was just a dream maker, Dreamer of sighs Shadow on the one who used to cry A face as soft as a tear in a clown's eye I wanna go back (can't go back, can't go back)
