Eyes of the World

Fleetwood Mac

Same old same in this hopeless place Here in the arena of the masses Face to face with our fears and faith Who of us will rise up from the ashes

Empty eyes here in paradise
Can you find the courage to go on
Realize in these desperate times
In your struggle you are not alone
'Cause we all need to find our way back home

'Cause the eyes of the world are watching you They are searching for someone to follow Yeah, the eyes of the world are watching you Will you lead or just stand in the shadows Will you show them a reason to believe

On display in this grand parade
We just see through human paradigm
No escape from this human race
Oh, to break this present state of mind
Are you up for trying one more time

'Cause the eyes of the world are watching you They are searching for someone to follow Yeah, the eyes of the world are watching you Will you lead or just stand in the shadows Will you show them a reason to believe

In this grand design
We all long to find
A light to lead us home
I know, that God will lead you safely on

'Cause the eyes of the world are watching you They are searching for someone to follow Yeah, the eyes of the world are watching you Will you lead or just stand in the shadows Will you show them a reason to believe
