## **Honey Hi**

## Fleetwood Mac

```
Honey, honey, honey
Who could be sweeter than you
Honey, honey, honey
Bitter sweet, but what can I do
```

Lord, it's good to talk to you Even sweeter than wine Don't take the love light away 'cause I'm far away from home

Daddy, all I'm trying to tell you
Lord, I really love you, love you, love you
Honey, honey, honey hi
Honey, honey, honey hi
Honey, honey, honey hi.
