

# I Don't Want to Know

Fleetwood Mac

I don't want to know the reasons why  
Love keeps right on walking down the line  
I don't want to stand between you and love  
Honey, I just want you to feel fine

Finally baby  
The truth has come down now  
Take a listen to your spirit  
It's crying out loud.  
Try to believe  
You say you love me, but you don't know  
You got me rocking and a-reeling  
Oh

I don't want to know the reasons why  
Love keeps right on walking down the line  
I don't want to stand between you and love  
Honey, I just want you to feel fine

Finally baby  
The truth has been told  
Now you tell me that I'm crazy  
That's nothing that I didn't know  
Trying to survive  
You say you love me, but you don't know  
You got me rocking and a-reeling

I don't want to know the reasons why  
Love keeps right on walking down the line  
I don't want to stand between you and love  
Honey, take a little time.
