

I Loved Another Woman

Fleetwood Mac

My baby's gone and left me - crying by myself
My baby's gone and left me - crying by myself
I loved another woman - I lost my best gal

She was a real good woman - she didn't me no harm
She was a real good woman - she wouldn't do me no harm
But I loved another woman - now she's up and she's gone

Well, come back baby - I know I treated you wrong
Well, come back baby - I know I treated you wrong
I loved another woman - now, I won't do that no more
