(I'm a) Road Runner

Fleetwood Mac

Money, who needs it Let me live my life free and easy Put a toothbrush in my hand And let me be a travellin' man Cause I'm a road runner baby I'm a road runner baby Can't stay in one place too long I'm a road runner baby One look at me and I'll be gone Well you can love me if you wanna But I do declare When I get restless, I've got to move somewhere Cause I'm a road runner baby Anywhere is my home And I love the life I live And I'm gonna live the life I love A road runner baby Don't want no woman To tie me down Got to be free baby To roam around All my life I've been like this And if you love me it's your own risk Cause when the dust hits my shoes I've got the urge to move Yes I'm a road runner baby Got to keep movin' on Hey, and I live the life I love And I love the life I live I'm a road runner baby Road, road runner... Road, road runner... Road, road runner... Don't want no woman To tie me down Got to be free baby To roam around All my life I've been like this And if you love me it's your own risk Cause when the dust hits my shoes I've got the urge to move Yes I'm a road runner baby Got to keep movin' on Hey, and I live the life I love And I love the life I live I'm a road runner baby Road, road runner... Road, road runner...
