

# I'm Worried

Fleetwood Mac

I'm worried  
Worried as a man can be  
I'm worried  
Worried as a man can be

I'm worried 'bout my baby  
She's gone away from me  
Well I'm worried about my baby  
And I wonder where she gone  
Well I'm worried about my baby  
And I wonder where she gone  
I hope some day

My baby love will return  
Well I hope some day  
My baby love will return  
I hope some day

My baby love will return  
If she don't come back to me  
My whole life will go to ruin

I'm worried  
Worried as a man can be  
I'm worried  
Worried as a man can be  
I'm worried 'bout my baby  
She's gone away from me
