

Madison Blues

Fleetwood Mac

Well, you got a song about your Madison shoes
Well, I got a song we call the Madison blues
We do the Madison blues
We do the Madison blues
We do the Madison blues
Yes and rock away your shoes

Well I got a girl her name is Linda Loo
She said she'd let me roll her but you know it ain't true
We do the Madison blues
We do the Madison blues
We do the Madison blues
Yes and rock away your shoes

Well, you got a song about your Madison shoes
Well, I got a song we call the Madison blues
Put on your Madison blues shoes
Put on your Madison blues
Put on your Madison blues shoes
And rock away all your blues
