Fleetwood Mac

i'm a man of action fire is my middle name if you get burned little girl you are to blame if you value your innocence stay out of my way one touch of my power you'd be begging me to stay 'cause i'm a man of action wild as the sea born for the blues born to be free no don't you get too close so don't you get too close one touch of my power you could catch a dose 'cause i'm a man of action no strings tie me down no chick's attraction could make me stick around so if you don't want to be burned don't give me no invitation until you have learned to live with desperation man of action i'm a man of action man of action man of action man of action man of action i'm a man of action
