One Sunny Day

Fleetwood Mac

Help me baby Help me take my blues away Help me baby Help me take my blues away Wake up one morning Feel good one sunny day

Times I've wondered Why it is a lonesome day Times I've wondered Why it is a lonesome day I see you walking See you walking away

All I want from you Is more then I can do There's one thing that I know I'll never let you go Although the people say I shouldn't treat you this way

Help me baby Help me take my blues away Wake up one morning Feel good one sunny day

All I want from you Is more then I can do There's one thing that I know I'll never let you go Although the people say I shouldn't treat you this way

Help me baby Help me take my blues away Wake up one morning Feel good one sunny day
