

# Stand Back

Fleetwood Mac

No one looked, I walked by  
Just an invitation would have been just fine  
I said, "No to him" again and again  
First he took my heart then he ran

No, no one knows how I feel  
What I mean unless you read between my lines  
One man walked away from me  
First he took my hand, he said, "Take me"

Stand back, stand back  
In the middle of my room I did not hear from you  
Well it's alright, it's alright  
To be standing in a line, standing in a line  
I would

Do not turn away my friend  
Well like a willow when I can bend  
No man said he called my name  
You know, no man came

So I went on down road away from you  
Maybe my attention was more than I could do with  
One man said he would not call  
Then he asked me for too much  
He said, "Take me"

Stand back, stand back  
In the middle of my room I did not hear from you  
Well it's alright, it's alright  
To be standing in a line, to be standing in a line  
Well I would

So I went on down road away from you  
Maybe my attention was more than I could do with  
Well that man said he would not call  
Then he asked me for too much  
He said, "Take me"

Stand back, stand back  
In the middle of my room I did not hear from you  
Well it's alright, it's alright  
To be standing in a line, to be standing in a line  
Well I would

Stand back  
Stand back  
Stand back
