

# Straight Back

Fleetwood Mac

What can I say this time  
Which card shall I play  
The dream is not over,  
The dream is just away  
And you will fly like some little wing straight back to the sun  
The dream was never over  
The dream has just begun  
The dream has just begun

Fingers find the ivory keys  
And a song begins to begin  
Like a wolf on the run  
And you will find while in the wind something that you lost  
The dream was never over, no  
The dream was only lost  
(hours and hours of waiting for you,  
So strong and so fleeting)  
The dream has just begun  
(and hours of waiting for you...  
In hopes of meeting)  
The dream has just begun  
(this way)  
Well, the dream has just begun

She remembers how good it can be  
He remembers a melody  
Ah, in the shadow of my shadow in a gleam  
He remembers how good it can be  
She remembers a melody  
Well, in the shadow of my shadow in a gleam  
(hours and hours of waiting for you  
So strong and so fleeting)  
The dream has just begun  
(hours and hours of waiting this way...  
Meeting, me)  
Hours of waiting for you  
(so strong and so fleeting)  
The dream has just begun...  
(meeting this way)  
Straight back now  
(hours and hours of waiting  
So strong and so fleeting)  
Hours and hours waiting this way  
Hours and hours of waiting this way  
Straight back  
Straight back  
Straight back... yeah!

He remembers a melody  
He remembers how good it can be
