

Temporary One

Fleetwood Mac

Where are you darlin', when my moon is risin'
And your sun is shinin' down?
What are you doin', are you missin' me
The way that I'm missin' you now?

The river goes on and on
And the sea that divides us
Is a temporary one
And the bridge will bring us back together

What are you doin', goin' down in to Soho
As I get my rest tonight?
What are you doin', are you busy with your world?
Well I wish you were busy with mine

The river goes on and on
And the sea that divides us
Is a temporary one
And the bridge will bring us back together

The river goes on and on
And the sea that divides us
Is a temporary one
And the bridge will bring us back together
Don't you know that?

The river goes on and on
And the sea that divides us
Is a temporary one
And the bridge will bring us back together
Don't you know that?

The river goes on and on
And the sea that divides us
Is a temporary one
And the bridge will bring us back together
