

# That's Alright

Fleetwood Mac

Meet me down by the railway station  
I've been waiting  
I'm through waiting for you  
Train sings the same kind of blues

Well, I don't know why I always trusted  
Sometimes I think that I must have  
I must have been crazy  
Crazy to wait on you, baby

Turned around and got pushed down, baby  
Now I decided yesterday that I would leave you  
I'm alright

Please, I've been takin' my time  
You know, it's been on my mind  
I hope you find a love  
Your own designs of love  
That's alright  
That's alright

I believe, I believe that I know you  
But we've been a long time  
Now I've got to show you, that I  
Well, I never did believe in time  
You know, changin' anybody's mind

Now, I can't define love like it should be  
That's alright  
It's alright

Please, I've been takin' my time  
You know, it's been on my mind  
I hope you find a love  
Your own designs of love  
'Cause that's alright  
Ooo yes, that's alright
