Say A Little Prayer

Flesh-N-Bone

[Flesh] Down, gotta lay me down, down, down to sleep (Down, gotta lay me down) I pray to the Lord that a holy ghost Bless my soul to keep (Pray to the Lord, my soul) And if I should die before I wake up, wake up, wake up Hope that he saved a place in heaven So I pray every day for my soul he take up Gettin' my hustle in every day Each day, when I would get on my knees and pray Everyday faced with all kinda playa hation Why they want to make my sanity tighten Pray, hey, hey, hey, and I got a bueatiful family A lovely wife, and my little pretty daughter And I got two sons, handsome just like me So I count blessing, after each blessing Every last blessing I learned a lesson I didn't realize my blessings keep me from stressin' Jesus came, and died on the cross To save us from our sins, our sins The kingdom of heaven's at hand How much to repent to get in Again and again I'm sendin' my praises up above And I don't know when I'm entertainin' angels So I gotta show more love Gotta honor my mother and father with all my heart My little brothers Steven and Stewart We don't let demons break us apart Yeah, you know that's a no-no for sure I can put it on my soul I can even put it in mode And run the little seconds down the road I'm ready to go Steady rollin', leavin' these strangers If the whole world would end tomorrow Tomorrow just might be the end So wait for the Lord and follow Chorus [Flesh] Must you prepare for the Judgment, baby Now, tell me what you've been up to lately Situations steady come on the daily, no It don't really surprise me It don't amaze me, but it do drive me crazy Demons, they keep tryin' to fade me, and it's so evil All they want to do is aggrivate me Trip, and I flip, don't make me See even when i'm not lookin' for trouble Trouble, it seem to come find me That's how it is when you live in the limelight But I don't worry, put it all behind me Gotta get down, way down, stay down Satan up under my foot Gotta rebuke, and recite the scriptures from my holy book That's when it straight shook Look at the prophecy comin' down in history Still it ain't no mystery, can't let it repeat

Good's gonna demolish evil What a meraculous, wonderful victory Ooh, yeah, Armageddon waitin' for the moment When the lid pop, when it goes down, don't be sleepin' Cause it'll creep on us, send a thief in the night Watch out, wake up, stay woke And gather more faith in Jesus, lead us Get ready to do the will of God So that he can keep us from the wrath of firey brimstones Stay strong and hold onto your faith And it won't greet you, yet meet you, deciet you We're leadin' and walkin' through heaven's gates Chorus [Pray] Our father, which art in heaven, hollow would be thy holy name Down, gotta lay me down, down, down to sleep (Down, gotta lay me down) I pray to the Lord that a holy ghost Bless my soul to keep (Pray to the Lord, my soul) And if I should die before I wake up, wake up, wake up Hope that he saved a place in heaven So I pray every day for my soul he take up (Hallelleja, hallelleja hallelleja Hallelleja is the highest praise/forever, Amen) Oh, Lord, oh, Lord, how majestic is thy name in all the earth?
