Thug humbly teachin' 'em what to be:

A thugsta just like me  
Come follow me, journey off in my world, all boys and girls  
Welcome to the land of T.H.U.G.S.  
It's the start of a new millennium, and we on a mission  
Rappin', makin' money made me put away the drugs, all right  
I love my life  
When I put it down, I'm so cold, so come up, take note:  
This Trues Humbly United Gatherin' Souls  
You don't want to miss the boat, or you float  
The nation coast to coast  
(We're keepin the) heartless hardest soldiers  
Anyone think that they man enough?  
Stand up for the face off, gonna get ran over  
My feelings never show you mercy  
And I been known to swang  
Always down for the thugs, and I put in work  
Niggas see that I'm all about the ?, man, the reason I bang  
? in their eyes and the niggas who with me  
But if you out of line, watch how my people feel 'bout they mind  
It's ? when they hit'a me (kick thang, gettin' me swished)  
'Cause they get tosses and find out they can't win  
And they can't nine times out of ten  
When I join my family, multiply with ends, ?

With Flesh-n-Bone, pow to get a nigga in ground  
I'm'a show you what it is, ana way to get it done  
Down to East Nineteen ninety-nine  
All through the year two-thousand  
I'm a ? when I'm on the run I'm havin' fun  
Don't bring you gun, unless someone is giving you static  
Then I suggest you pack it, when they run up on you  
Pull it, and blast it, that automatic let that fool have it  
No thang, for the trigger bang bang bang  
Man, it's a shame, but you gotta do what you gotta do to maintain  
And remain this game so people rest in peace, until the finally peaceful  
And it be the sequel, when everyone's equal, gonna be humble to people

Our father, who art in Heaven, hallowed be Thy name  
Thy kingdom come, Thy will be done  
On Earth as it is in Heaven

See, I see, picture the world in harmony  
Before it's too late  
So close to runnin' out of time  
Soon it it'll be judgement day  
And, Lord, I pray Your mercy on mankind  
Earn your ticket to get up to Heaven  
Maybe Hell if you don't get yourself together  
You might be sorry, but it's your turn to go soon  
And I know they know better  
We are all soldiers of God and gotta job  
Connect to them souls  
He want you to spread The Word about Him  
Simply, that's easy for you to pay the toll  
What more could we ask for?  
We all are whether you like it or not  
We get a chance to profit in life  
And living on Earth  
You're gonna get put on the spot once in awhile  
But I know that you humble heart  
No doubt you'll be tested  
Even halted by demons  
Stressin', want to get you arrested  
(If I'm not workin' this)  
You keep it real true with yourself and family  
Gotta plan this good and ready  
They hand me peace, much love to the G's  
Who real understand me

Give us this day our daily bread  
And lead us no in temptation  
But deliver us from the evil  
Amen
