

# Disfigured

Fleshcrawl

Perpetration  
Annihilation  
Your punishment  
Is life damnation

Forever enslaved  
Forever deranged

Searching for - The reason to all your pain  
Suffering - From splits within your brain  
Cold sweat - Runs through your veins  
Nothing remains

Disfigured soul  
Tears you apart  
Conflict inside  
Two minds in fight  
All your efforts  
Just wasted time  
You've paid your toll  
Disfigured soul
