

## The Forsaking

Fleshgod Apocalypse

Left aside my commiseration  
I look inside to wash my frustration away  
Spit the hate!  
Your vengeance's rising for your own salvation  
Vehemence, rise!  
To face the betrayal

Dream of the dead  
Forever  
Despised by the damned  
Betrayed!

Kill's my aim  
My own destination  
And I die inside  
For my revenge you cry  
Spite is spread!  
Your pledge of innocence is dead and gone now  
Liberate my darkest devotion

Dream of the dead  
Forever  
Despised by the damned  
Betrayed!
