Whore

Dressed for seduction
Victim of abduction
Climax as you writhe in pain
I will not let you go
From this putrid existence

Hands are cuffed, legs are spread
Plastic bag enshrouds your head
Mummified, bloody face
Missing now without a trace
Panties soaked in shit and piss
Tongue the ass and clitoris
Frantically you try to escape
Suffer now you feel my hate

Hands are cuffed, legs are spread Plastic bag entombs your head Mummified, bloody face Missing now without a trace Frantically you try to escape Suffer now you feel my hate Captured, bound, beaten, bruised Your diginity is now abused Frantically you try to escape Suffer now you feel my hate Captured, bound, beaten , bruised You will now be Abused My will to inflict such pain Remains unfed Another helpless victim Another passing day Her pain continues unchanged It forever remains
