

# Monarch Of Misery

Fleshgrind

Imploring the abstract  
Needs undefined  
Contemptible and devious  
A corroded reality

Your everlasting fear, so stimulating  
As you conform to the blackness of my thoughts

Imagine such lunacy  
My lust is becoming climatic  
As is the horror I see in your eyes

Monarch of misery  
Imploring the abstract  
Needs undefined

Contemptible and devious  
A corroded reality  
Your everlasting fear, so stimulating  
As you conform to the blackness of your thoughts

Imagine such lunacy  
My lust is becoming climatic  
As is the horror I see in your eyes

Monarch of misery  
Feel the treachery  
In my misery!
