

A Dank Smell Of Rotting Ovulation

Fleshless

A slip of a girl
staying at the corner
crying bloody tears
no one helps her outthere
Childish dream
of happy childhood
dissapears like a steam
fear from unknown...
Innocent
Accident
Rotting ovulation
Blood of virgin
flowing on her legs
a dank smell around
her rotting ovulation
Innocent
Accident
Rotting ovulation
Ovum out of body
embryonic death
another end of life
just aborted alive
