

# The Grudge Gear

Fleshless

Array of disarray  
face twisted to groin  
order in mess mess in order  
nonverbal communication  
Gets you high  
and dim

Match in mismatch  
mismatch in match  
disturbing in match  
disturbing tremble  
mental scalds are mended and patched  
raptured and torn  
sophistically dissipated  
waiting for limbo  
to grudge

Grudge gear drives me  
grudge gear opposes me  
grudge gear binds me  
grudge gear rushes me  
then and again

The grudge gear

Eat or devour  
That reverse feeding  
propels me and slows me down  
the grudge gear I vitalize  
Malice in veins  
After death to memorize  
resecting my dream  
to nourish my own

The grudge gear

Grudge gear drives me  
grudge gear opposes me  
grudge gear binds me  
grudge gear rushes me  
then and again
