

## Talk Show Host

Flickerstick

I can't describe the pressure of the hype  
Another show they'll have your vein opened up again  
But it's all the same they way they sell the game  
Sucking out the feeling so you'll never win  
Overload...in stereo...I'm sweating like a talk show host tonig

Despite the high that tends to come out live  
The repetition seems to grab the flare away  
The radio it seems so shady oh  
I'll never hear myself just quite the same again

Overload...in stereo...I'm sweating like a talk show host tonig

I'll see you on the way down
