I can't describe the pressure of the hype
Another show they'll have your vein opened up again
But it's all the same they way they sell the game
Sucking out the feeling so you'll never win
Overload...in stereo...I'm sweating like a talk show host tonig

Despite the high that tends to come out live
The repetition seems to grab the flare away
The radio it seems so shady oh
I'll never hear myself just quite the same again

Overload...in stereo...I'm sweating like a talk show host tonig ht

Overload...in stereo...I'm sweating like a talk show host tonig ht

I'll see you on the way down

Overload...in stereo...I'm sweating like a talk show host tonig
