

# The Tourist

Flickerstick

Tonight I'm going to leave with you  
Do what you want to, but never do  
I don't care how much you want me to stay  
The tourist plays what you want him to play

Where will you go  
Now that it's over  
Now that you're older  
Where will you go

I'm like the evil and you'll be the saint  
You bring the pleasure  
I'll bring the pain  
For every promise, there's a price to pay  
The tourist plays what you want him to play

Where will you go  
Now that it's over  
Now that you're older  
Where will you go

Where will you go

I can do anything

Where will you go  
Now that it's over  
Now that you're older  
Where will you go

Where will you go?
