

# The Most Beautiful Girl (In the Room)

Flight of the Conchords

Yeah-ahh...  
Looking round the room,  
I can tell that you  
Are the most beautiful girl in the...room.  
In the whole wide room  
Oooh.

And when you're on the street  
Depending on the street  
I bet you are definitely in the top three  
Good looking girls on the street...yeah...  
And depending on the street, ooh...  
And when I saw you at my mate's place  
I thought what...is...she...doing...  
At my mate's place  
How did Dave get a hottie like that to a party like this?

Good one Dave!!!  
Ooohhhh you're a legend, Dave!  
I asked Dave if he's going to make a move on you  
He's not sure  
I said "Dave do you mind if I do?"  
He says he doesn't mind  
but I can tell he kinda minds  
but I'm gonna do it anyway  
I see you standing all alone by the stereo

I dim the lights down very low, here we go  
You're so beautiful (beautiful)  
You could be a waitress  
You're so beautiful (beautiful)  
You could be an air hostess in the 60s  
You're so beautiful-ul-ul...  
You could be a part...time...model

And then I seal the deal  
I do my moves  
I do my dance moves  
Both of my dance moves  
Ohh-ohh-ohh, ohh-ohh-ohh!

It's twelve-oh-two  
Just me and you  
And seven other dudes  
Around you on the dance floor  
I draw you near  
Let's get outta here

Let's get in a cab  
I'll buy you a kebab!  
Now I can't believe  
That I'm sharing a kebab with the most beautiful girl I have ever seen  
With a kebab  
Ooooooohhh.

Why don't we leave?  
Let's go to my house and we can feel each other up on the couch

Oh no. I don't mind taking it slow-ho-ho, no-ho-ho, yeah.

Cause you're so beautiful  
Like a, tree  
Or a high-class prostitute  
You're so beautiful-ul-ul...  
Mmm, you could be a part-time model

But you'd probably have to keep your normal job  
A part-time model!  
Spending part of your time, modeling,  
and part of your time, next to meeeeeeeeeeee!  
And the rest of your time doing your normal job...  
Ooh...ohh...ooh.  
My place is usually tidier than this...
