It fucked up the party like somebody got bucked
Nigga word!
I lays it down flat like a door mat
Get head in every state wherever I toured at
Spliff ah spliff
Duh-ty nigga what the undisputed
Counting traps
Taking trip out the cacilac
Smokin' quan-quan
Doggie style chicks in the Montreaon
Cracking many bar
Fuck it
Nigga grab an Averon
Me Spliff, be the fucking tailor of my fashion
Fuck what niggas think
Watch a nigga turn platinum
(Chorus / Busta Rhymes):
Ya'll niggas want to get down
Ya niggas want to battle
Eh, what ya'll wannna do
Let's cha cha cha cha

(Rah Digga):
Digga, Digga
First name Rahshea
Sweetest person had no idea
Just like that honey flipped three times
With nickles and dime staking rhymes by the eon
Situation around the way with my women
Looking spiffy wit the vendi type linen
Totin' herbals
We got papers like staples
