Conspiracy is the game That the us likes to play Working, work a thousand ways And still you're only a slave Working for your meals And you're working for your days And still you work to go to Bed with anyone you feel And you're walking down the street And you're playing part of the game `cause all the time they're watching You know how you feel And you think you wanna kill something To deal with how you feel But every time you try they slash you with their head And you're standing in a line And you're waiting for government goods And you're thinking that you're part of them Try and get a job But what can you do? Secretaries, lawyers... I got a life Fuck rem I got a right Fuck rem Donrt need a date Fuck rem Donrt need my car Fuck rem The neon signs Fuck rem We got the power
