## **Fucked Up Once Again**

**Flipper** 

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night

Reoccurring nightmares disturb Everyone who let's them occur The very same is true in life So she'd a little light to make it all right

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night

Seems some lessons are not learned Repeat the course or you'll return Back to the part that was left out Pieces of the part thrown all about

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night

Looks messed up once more again Can't cover it up won't pretend Have to return to a new start Pick another direction Now comes the hard part

Oh oh oh fucked up once again
No more rivers of blood
Taking over my dream of love
Feel a bit of poetry in my life
But it all could change in just one night

Fucked up never again
